Previous Minutes

The minutes of the meeting held on 5th May 2008 were approved.

Matters Arising

UP Trailer – Two payments on the Trailer had been received.

Units 1 and 2 – Having consulted Brain and Unst CC, it was decided to vacate Units 1 and 2 and arrange an auction sale of redundant equipment. Some items could go out on loan, with the possibility of a return to UP if they were needed in the future. This would include Video equipment, Photocopier and Printers.

Future projects – no further news from Patrick or John Simpson about local renewables projects.

Auction Sale-

Brian agreed to be auctioneer and would ask Robert Hughson to assist. Sale to be held on Sunday 20th July. Unit 1 would need to be tidied up and Computer equipment checked over to ensure no staff or Company details were left on machines which would go to the public.

Josie would transfer College equipment through to Unit 2.

Gordon to arrange a Sale Notice and cancellation of lease, paying off Water and Electricity bills.

Bank Arrangements – Gordon had asked Bank of Scotland to check on interest payments. It appears we are paying too much interest.

A.O.C.B. No further business.

Next Meeting: To be decided, but some time early in June.
